

# Spring Clean-up 2026

Below is a list of items we would like to complete on April 11. Some of these things could be started or completed prior to the clean-up Saturday. If you can't make it out for the Saturday clean-up and would like to help prior, please do so and let us know what you completed. Also please let us know because we like to acknowledge everyone that helped.

Thanks for everyone's help in advance.

## **The Trustee's List \***

**Rake out beds where needed. <needs to be done before mulching>**

**Pick-up sticks and pinecones in cemetery and other properties**

**Clean ceiling fans (sanctuary and Old SS bldg.)**

**Move Topsoil (locations TBD)**

**Move Mulch 1" to 2" max**

**Clean out BBQ and Burn pits**

**Re-Stack cinder blocks on pits (the youth moved them for pageant maybe they should replace)**

**Level the two new grave sites and remove the rocks**

**Fill in topsoil around the cemetery markers**

**Uncover existing cemetery markers and concrete**

**Gutter leaking at the corner of Hayes Hall and Ed. Bldg.**

**Want to get aggressive clean windows in Hayes Hall inside and out**

**Fill in topsoil along Hayes Hall where the down spout pipe was dug out**

**Move the 4 benches to the bottom of the parking lot to keep off the grass.**

\* Other tasks may be added to the list as things pop-up.
