

Spring Clean-up 2026

Below is a list of items we would like to complete on April 11. Some of these things could be started or completed prior to the clean-up Saturday. If you can't make it out for the Saturday clean-up and would like to help prior, please do so and let us know what you completed. Also please let us know because we like to acknowledge everyone that helped.

Thanks for everyone's help in advance.

The Trustee's List *

Rake out beds where needed. <needs to be done before mulching>

Pick-up sticks and pinecones in cemetery and other properties

Clean ceiling fans (sanctuary and Old SS bldg.)

Move Topsoil (locations TBD)

Move Mulch 1" to 2" max

* Other tasks may be added to the list as things pop-up.
